

Social and Personal

CAROL S. DIBBLE.

Miss Mary Binney, of New York, who has been the house guest of her sister, Mrs. George Palmer Putnam, for the past month, left last evening for San Francisco. Miss Binney will spend a week in the Oregon building before going on to visit in the Grand Canyon. She will be joined on the steamer by her brother, Edward Binney, who left several days ago to visit the Bonneville hatcheries on the Columbia. Miss Binney was the inspiration for numerous social attentions during her stay in Salem. Last evening, Miss Binney and Mrs. Putnam were dinner guests of Mrs. Harvey Wells.

Mr. and Mrs. William McGilchrist are entertaining as their guest, Charles Savage, of Honolulu, a cousin of Mrs. McGilchrist. Mr. Savage has been spending his vacation on the coast touring California and Oregon. Prior to his arrival in Salem, he passed some time in Southern Oregon on a hunting trip. Mr. Savage will return to Honolulu in December.

One of the most enjoyable Halloween parties of the season was given at the home of Mrs. Grimm at her attractive new home in east Salem, last Saturday night. It was in the nature of a masquerade and the guests were met at the door by witches, who ushered them into a dimly lighted room occupied by ghosts. Music and dancing were indulged in and later a dainty luncheon was served. Those present were: Miss Hazel Harris, Miss Meryl Whitney, Miss Veda Vaughn, Miss Grace Humphreys, Miss Gertrude Ashby, Miss Mae Edwards, Miss Harriet Claggett, Miss Selma Bartoe, Miss Ruth Melton, Miss Laura McFee, Miss West-Insley, Clifford Gerson, Ralph Gerson, Frank Harris, Dolph Gerson, Edward Whitney, Orven Fyall, Fred Dierman, Chester Horner, Ray Horner, Howard Grima, Claude Grima, Ed Bartoe, Warren Wallace, Mr. and Mrs. F. Senrunk, Mr. and Mrs. Robert Brown, Mrs. W. J. Culver and Mr. and Mrs. Jack Howard.

The Lincoln School Parent-Teachers association will hold their November meeting on Tuesday, November 9, at the school. An exceptionally good program has been arranged and a large attendance is anticipated.

Mrs. Harvey Wells left for Portland this morning on the Limited. She will be joined over the week end by Mr. Wells.

Miss Helen Harris was hostess at an enjoyable Halloween party Saturday evening at her country home at Liberty. The rooms were adorned in autumn leaves, with a black and yellow decorative scheme carried throughout. A ghost awaited the guests' arrival at the head of the stairs and everything presented a weird effect. The evening was passed with suitable Halloween games, music and fortune telling. Refreshments were served later, those assisting the hostess being Miss West-Free and Miss Dunnette. The invitation list included: Misses Ida Gibson, Madge Gookins, Beatrice Dunnette, Nellie Free, Leona Dutton, Jessie Gibson, Jessie Gilman, Evelyn Stevenson, Ruth Weaver, Lucella Zosel, Jennie Weaver, Martha Zosel, Gladys Stevenson, Birdie Hoffman, Edna Holder, Francis Krubert, Katherine Mize, Violet Hoffman, Caroline Krubert, Gladys Jory, Helen Shaver, Messrs. Attempt Made to Wreck Owl Train

San Francisco, Nov. 5.—The north-bound Owl from Los Angeles narrowly escaped being derailed early today between Mendota and Ingle, near Fresno in what is believed to have been a deliberate attempt to wreck the train.

Three pieces of heavy steel lying cross-wise on the tracks were passed over safely by the engine and coaches. The largest of the pieces was one quarter inch thick by three feet wide and six feet long.

The Lark was derailed near Paso Robles a month ago. A trainman was killed and several injured when several of the cars left the tracks and plunged down a steep embankment. Rumors that train wreckers were responsible were then spread.

After taking the third bottle of the Compound I was able to do my housework and today I am strong and healthy again. Bluff and Bluster Says Labor Leader

Los Angeles, Cal., Nov. 5.—Olaf Tveitmo, San Francisco labor leader today characterized as "bluff and bluster" District Attorney Woolwine's assertion that the grand jury is conducting a new investigation in connection with the dynamiting of the Times building, had questioned with about "Tveitmo and others."

Woolwine's statement was made in the murder trial of M. A. Schmidt, alleged Times dynamiter, when he demanded to know why defense witnesses had been hailed before the grand jury. Judge Willis refused to forbid the grand jury from interrogating defense witnesses.

COURT HOUSE NEWS

Judge Kelley, of department number 1 of the circuit court, today overruled the motion for a change of venue in the matter of the application of Eva M. Wolfe for a widow's pension. Attorney Walter M. Toose, Jr., with attorneys W. O. Holman and Turner & Turner represent in all about 18 widows who have applied for widow's pensions and whose petitions have been denied by the county court. The attorneys then appealed from the action of the county court to the circuit court and asked for a trial by jury on the merits of the widows' claims. Attorney George G. Bingham and District Attorney Ringo who represented the county opposed the trial by jury on the grounds that this was not an action at law but a suit in equity and that there were no disputed questions of fact to be passed upon by a jury. Attorney Toose argued that this was an action at law and the petitioners were entitled to a jury trial. On the grounds that Marion county taxpayers would not be qualified to sit upon a jury in these cases Toose asked for a change of venue, which was overruled by the judge today.

Sheriff Esch has returned from a trip to Phoenix, Arizona, where he was called in the case of the state against Jennie Austin who is charged with appropriating funds held in trust for an estate of which she was administrator to her use. The amount involved is about \$250. Sheriff took requisition papers from this state to Arizona but Governor Hunt of Arizona refused to honor the papers. Sheriff Esch in the meantime, however, wasted no time and after a long conference with Mrs. Austin and her husband persuaded the woman to come to Salem to stand trial without requisition papers. She promised and put up \$500 bail to guarantee her appearance in Salem at the January term of court. Governor Hunt called her up afterward and advised her that she would never honor requisition papers and that she could remain in safety within the borders of Arizona. It appears, though, that Mrs. Austin was too honorable to follow the governor's advice and will come to this state to untangle the affair in court. Governor Hunt will be remembered as the man who saved the Mexican murderers from hanging recently.

Two applications for citizenship were made at the office of the county clerk today. One of the applicants was born in Pittsfield, Massachusetts but became an English subject to secure a home-land in Canada and now seeks reinstatement as a citizen of the great country where he was born. The name of the applicant is Lester Church Woodruff, a farmer of St. Paul. James O'Reilly, who was born in Ireland but came to United States from Barbina, South Africa, was the second to apply for citizenship. He is a blacksmith residing in Jefferson.

A marriage license was issued today to Fred L. Bernardi, a plumber of this city, and Miss Martha Kapplein, a Salem clerk.

Effie L. Loos wants the matrimonial bonds loosened that tie her to Louis Loos and filed a suit in the circuit court today alleging cruel and inhuman treatment. She states that her husband threw her out of bed and told her in strong terms that she could no longer eat up his grub. She asks the right to resume her maiden name of Effie L. Libby. F. A. Boyington is attorney for the plaintiff.

August Kehrberger has brought suit against Johann Henke and Loise Henke to collect money alleged due on a promissory note for \$2100. The note was secured by a mortgage on lot 1, block 59, city of Salem, and the plaintiff seeks foreclosure on a judgment in the sum of \$2395.97 with \$225 as attorneys fees. James G. Heltzel is attorney for the plaintiff.

War News of One Year Ago Today

The Germans surrendered Tientsin. The British cruiser Good Hope, with Admiral Cradock and 900 men, was officially reported lost in the Chilean coast naval battle. Heavy fighting at Ypres, and minor advances on the whole front were reported by France. The British claimed a slackening of the German offensive. Germany claimed gains at Ypres and St. Mihiel. The greatest victory thus far in the war, for Russia, was Petrograd's designation of the battle of Paroslaw, near Przemyśl, with 5,000 Austrian prisoners. Turkish ships bombarded Batum.

TELLS BEAR STORY.

The following somewhat remarkable story is told in the Port Orford Tribune:

Last week M. L. Barrett purchased a well-bred "varmint" dog from John Promm Jr., in hopes that he can run down a bear that is getting entirely too familiar around his orchard and sheep on his Elk river farm. Mr. Barrett had been missing apples from an orchard some little distance from the house, and was greatly surprised recently when he caught the thieves at work. A tree was surrounded by sheep and in it was a black bear at work shaking out apples. The bear would

come to the ground and cuff the sheep away, and eat what apples he could find and then go back to the tree for more. The sheep apparently had no fear whatever of it.

THE SIRENS WINNING VOICE.

San Francisco, Nov. 5.—Though Victor Herberts orchestra at the exposition can make a mighty music, it lost out pitifully in trying to play "The Land of the Sky Blue Water" against the competition of the mournful wail of the Alcatraz fog siren. It had to quit.

WOULD BAR NOEL.

Los Angeles, Cal., Nov. 5.—A sudden attack on James W. Noel, of Indianapolis, special prosecutor in the murder trial of M. A. Schmidt, alleged Mc-Namara accomplice, was launched today by Nate Coghlan, of San Francisco, chief defense counsel. Coghlan demanded that Judge Willis bar Noel from further participation in the case, on the ground that he is not a citizen of the state of California, cannot legally prosecute here, and that he had never been admitted to the bar in this state. Coghlan read an affidavit showing that other murder cases had been reversed by higher courts because of the participation of outside prosecutors.
